Dear Valued Customer

**Re: INTERNATIONAL RATES REVISION EFFECTIVE
1ST APRIL 2021**

The unprecedented developments in the global logistics industry have disrupted the flow of global trade and operations. In a move to overcome these challenges, GDEX has embarked on a transformative plan to achieve higher service quality levels to meet our customers' business needs through value-added solutions.

We have since invested heavily in infrastructure, network, and technology in our international operations. This includes new features such as end-to-end tracking, where customers can keep track of their shipments at every step of the way, anywhere around the world.

To support this initiative, we will be revising the rates for all international destinations with effect from 1st April 2021.

For a copy of our new price guide, please contact your respective Sales Representative or our Customer Service Hotline at 03-6419 5003.

It is our utmost pleasure serving you and we thank you for your kind understanding and continued support.

Thank you.
